TSD Exhibit

1. Yesterday I had been told by [REDACTED] that TSD had sent over four tickets which were to be used on a continuing basis by any members of DD/S&T who could profit from a tour of their exhibit. I checked with [REDACTED] the Exec. of TSD, and learned that this had been their original plan but that Tom Karamessines said the exhibit should be limited to DDP except for an invitation to Carl Duckett. Therefore, this means the exhibit is off-limits to DD/S&T which is contrary to their policy for previous years.

2. I had made these inquiries for tickets after receiving calls from FMSAC (Dave Brandwein and others) and ORD. Bob Chapman and [REDACTED] had expressed an interest in visiting the exhibit if tickets were available. Incidentally, I just talked to Dave Brandwein who received the news with some chagrin.
